Description of cookies and similar technologies used on the WHITECAPITAL website.

The WHITECAPITAL website may use cookies and similar technologies for website operation, form processing, security, analytics and improvement of user experience.

What are cookies

Cookies are small files stored on the user's device when visiting the website.

Cookies used

WHITECAPITAL may use:

- necessary cookies;
- functional cookies;
- analytics cookies;
- security cookies.

Purposes of use

Cookies are used for:

- website operation;
- processing applications;
- improving security;
- traffic analytics;
- preventing abuse;
- remembering user settings.

Cookie management

The user may disable cookies in browser settings. Some website functions may not work correctly if cookies are disabled.
